Regarding: Edward Campbell

To Whom It May Concern,

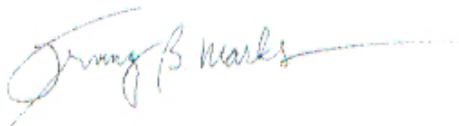

I have known Mr. Edward Campbell for over 15 years. After his retirement from active military service, Mr. Campbell entered the world business in 1999. From finance to mergers and acquisitions, Mr. Campbell has achieved a great deal of success during his business career.

For the last few years, Edward Campbell has been the delegated representative for several private placement and financial instrument ventures. I have provided safe keeping services for Mr. Campbell and many of his clients during this time for a wide range of financial instruments and I currently provide paymaster services him as well.

I can assure you that there is no one currently involved in this industry that is more knowledgeable or more diligent than Edward Campbell. No one "bats a 1000" in this industry and Mr. Campbell has very specific protocols in place that will make, (and have made) clients whole, should the need arise.

Please contact me if you have any additional questions.

Sincerely,

Irving B. Marks, Esq.,
